DRAWING STORAGE CABINET

PRODUCT RANGE

2018

Drawing File Cabinets have been designed specifically to store A1 to A4 sized documents safely and systematically.

Drawing File Cabinets for A0 sizes are available on request.

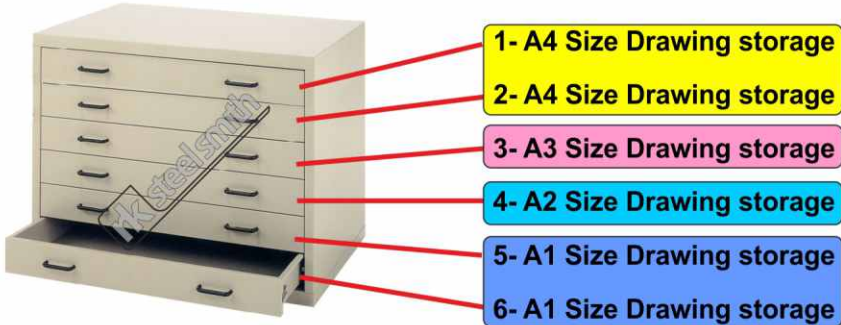

Architectural plans, engineering drawings, blueprints, charts, maps, artwork and other large drawings can be easily filed and instantly retrieved.

Benefits:

- Maximum density of storage: upto 450 drawings can be stored in a single drawer.
- Stackability: structural reinforcements are provided at critical places to enable one fully loaded cabinet to be stacked on top to save floor space.
- Smooth and effortless operation: accurately fabricated precision slides with nylon rollers and continuous pullout handle ensures effortless operation.
- All steel construction.
- Provide ultimate protection for large format documents.
