Double bin row

1850mm H.

Crate

Safe, functional technology made in India

The RKSS tool cabinets of the VDC series assure maximum organization at minimum space requirements. Thanks to vertical drawers, the tools are always ready-to-hand.

The direct access to the tooling from both sides provides increased safety as reaching over the tools is eliminated.

Integrated transport notches allow the easy relocation of your tool cabinet by lift truck or cart when empty.

Plastic bin & crates Cabinet

Assembled components are transfer to pre-treatment plant for treating in 7 tank for degrees, zinc, phosphating and passivation.

Material received from pre-treatment department are immediately powder coated in the dust free painting booth and then the articles are put inside a baking oven at a temperature of 180°C for about 20 minutes.
